

Join the Cutaneous Lymphoma Community Connections!

Follow these simple steps to join the Community:

1. Go to the Community log-in page: <https://sforce.co/31hojB1>
2. Click on the “Not a Member” link beneath the green “Log in” button.

3. Provide your first and last name and your email address. Your email address is used as your “Username” for logging in and receiving communications related to the Community.

Please note: Once your username has been created, it cannot be changed. If your email should change, your profile can be updated however your username will remain the same.

4. Create a password and confirm it.
5. Click “Sign Up”
6. Please confirm that you have read our Community Guidelines AND your relationship to cutaneous lymphoma by checking the boxes and click “Next.”

- I have cutaneous lymphoma or have a friend who does.
- I have read the Community Courtesy guidelines and agree to follow them as a community member. I understand failure to do so will put my membership at risk.
