GET YOUR MOVE ON FOR CUTANEOUS LYMPHOMA

We invite you and your company to join us in raising awareness and funds. This year we are offering several options for our corporate partners:

Option 1: Direct financial sponsorship of the fundraising event. In addition to helping support our fundraising efforts, your sponsorship includes:

- ◆ Inclusion as event sponsor in all outreach and marketing communications
- ◆ Special sponsor slide in slide show on fundraising page
- ◆ Announcement during 2-day Virtual Patient Conference
- ◆ Recognition during September 22 award ceremony

Option 2: Form a company team. Participate as a team, build your team page and engage your entire staff as participants in the week-long virtual event. Raise awareness of cutaneous lymphoma internally, rally and inspire your staff to join in and be a part of this exciting event alongside patients and their families. Compete with other teams for the most money raised or highest number of movement hours.

Option 3: Support one of the other teams, including the Foundation's staff - the Anchor team. Be a cheerleader for others and support their efforts. Or provide a company matching grant for a team.

Option 4: Combination of any of the above! Connect with us to create a unique package for your company that supports your internal goals for philanthropy and corporate social responsibility.

GET YOUR MOVE ON WITH US!

**SUPPORT OUR MISSION - INSPIRE YOUR TEAM - GENERATE CORPORATE GENEROSITY &
GOOD HEALTH THROUGH MOVEMENT**
