The Cutaneous Lymphoma Foundation uses the Zoom app for our online events. Below are directions for joining a Zoom meeting.

Please note: Before joining a Zoom meeting on a computer or mobile device, you can download the Zoom app from Zoom's Download Center. Otherwise, you will be prompted to download and install Zoom when you click a join link.

To Join using a Computer
- Open the meeting invite email and click on **Click Here to Join** link OR if you have added the meeting to your calendar, click on the meeting link available in the details.
- If you have previously installed the Zoom app on your computer, you will see the following pop-up:

- Click the "Open Zoom Meetings" button to join.

To Join using your a mobile device
- Download the Zoom app from the Google Play Store or App Store
- Join a meeting by tapping the **Click Here to Join** link found in your meeting invitation.

To Join by Telephone
- On your phone, dial the teleconferencing number provided in your invite.
- Enter the **meeting ID** number when prompted using your dialpad.
- Note: If you have already joined the meeting via computer, you will have the option to enter your 2-digit participant ID to be associated with your computer. If you have not joined on your computer, simply press # again when prompted to enter in your participant ID.

For more information on how to join a Zoom event, please visit: Zoom - Joining a Meeting

Attendee Controls
For directions on how to use Zoom attendee controls (like "mute" and "chat"), please visit Attendee Controls in a Meeting

Directions available for PC/Mac, Android, IOS and web browser.
